Our Mission

It is the mission of Torquay Coast Primary School to provide our students with a safe and supportive learning environment that motivates and challenges students, and that provides a comprehensive primary education for all students that empowers them to reach their full academic, social, and physical potential. Through community connectedness, students will develop a love of learning allowing them to become self-motivated, curious, resilient and tolerant citizens.

Our Pillars (Values)

Our 4 Pillars (core values) will underpin all dimensions of our teaching and learning environment, and be supported through the implementation of Positive Education. They are embraced and modelled by staff and students and promoted throughout the school community. They are:

RESPECT

We are respectful of ourselves, others and the environment.

STRENGTH OF CHARACTER

We are always striving to be the best versions of ourselves.

ACCEPTANCE

We have the skills and strategies to overcome challenging situations.

MINDFULNESS

We are aware of what is happening within and around us.

School-Wide Positive Behaviours (SWPB)

Torquay Coast is committed to the School Wide Positive Behaviour Program. This program aims to create a positive school climate, a culture of student competence and an open, responsive management system for all school community members. Introducing, modelling and reinforcing positive social behaviour is an important component of a student's educational experience. Teaching behavioural expectations and rewarding or recognising students for following them is a much more positive approach than waiting for misbehaviour to occur before responding. (Please refer to the TCPS SWPB Teaching Matrix).

In all documents, in all practice by students and teachers, in work with the School Council and the community, in all teaching and learning programs, in all school initiatives, in all internal and external interactions, in all organisational structures and practices, the vision of the school will sit at the centre and there will be expectations about all work aligning with the school vision and mission. Regular evaluation processes will be in place to measure performance in all areas of the school with respect to the implementation of the vision and values of the school. Torquay Coast PS will have a **commitment to zero tolerance of child abuse**. Our school's philosophy statement overviews organisational culture of which a new high priority is ensuring that everyone is fully informed and practices shared efficacy regarding child safety.

The process at our school can be represented as the vision, mission, values and beliefs at the centre. In an outer ring there will be a set of principles. As a further outer ring will be a set of practices. A detailed list of school policies will sit within this framework.

In all work in the school, the question "Is this work or process in line with the school vision, mission, values and beliefs?" This question will be a fundamental part of the practice of all leaders in the school.

Evaluation:

This policy will be reviewed as part of the school's three year review cycle. Last reviewed by School Council March 2024.
